Vol. 31

As children we laid our foundations
For life.
Those first years shaped our personalities,
Positioned our values,
And developed our tastes.

We took the first steps
Of the building process.

We are no longer children.
Though much of our life
Lies behind us,
Much is yet to come.
But no part of it
Is as important as now.

Therefore let us say
That these are our
CONSTRUCTION years.

These are the years
We strove to build
Something worthwhile;
To say to others,
"I have been here."

Although things may look
Bad at first,

If we work hard
And never give up
Success will eventually come.

We must keep reaching for that goal,
No matter how high it seems,

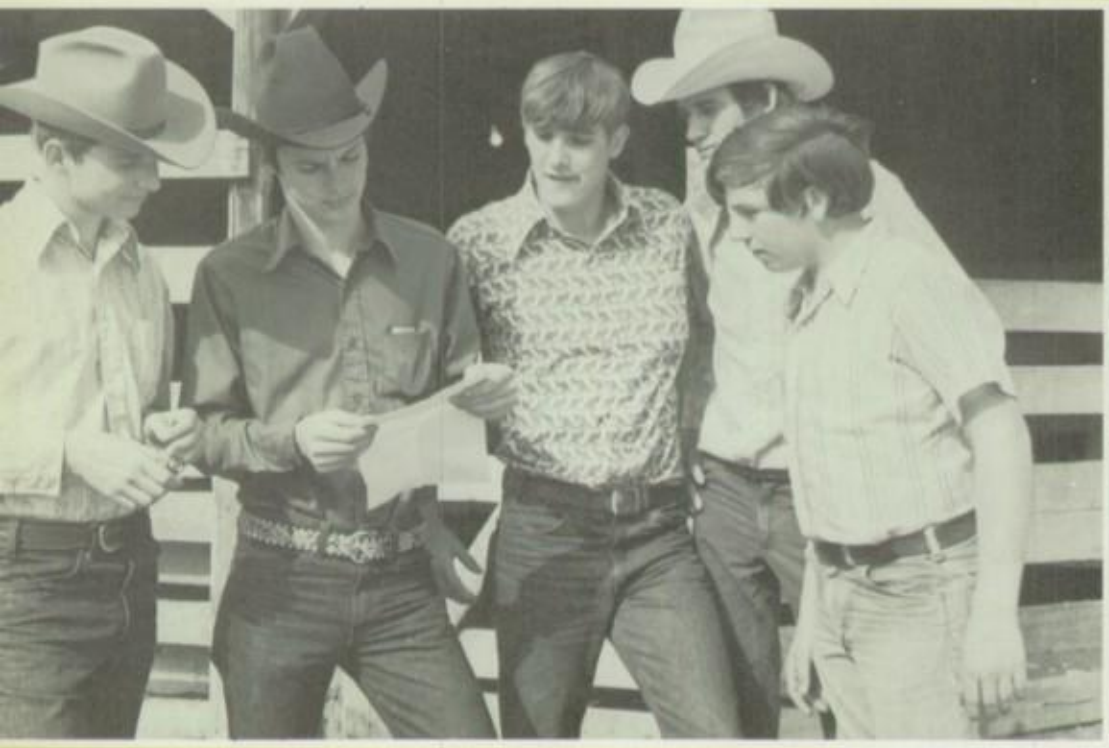
Or how many barriers we may encounter.

In this period of our life
Strength and encouragement
From those who matter
Seem to make the going easier.

Let us never forget these
Special people,
And what we owe them,
Whoever they may be,
Or whatever they may
Have done for us.

So during these
CONSTRUCTION years
If we keep looking upward,

Striving and building,
We will have made for ourselves
A life that we can find
Happiness in living.



Through our involvement —

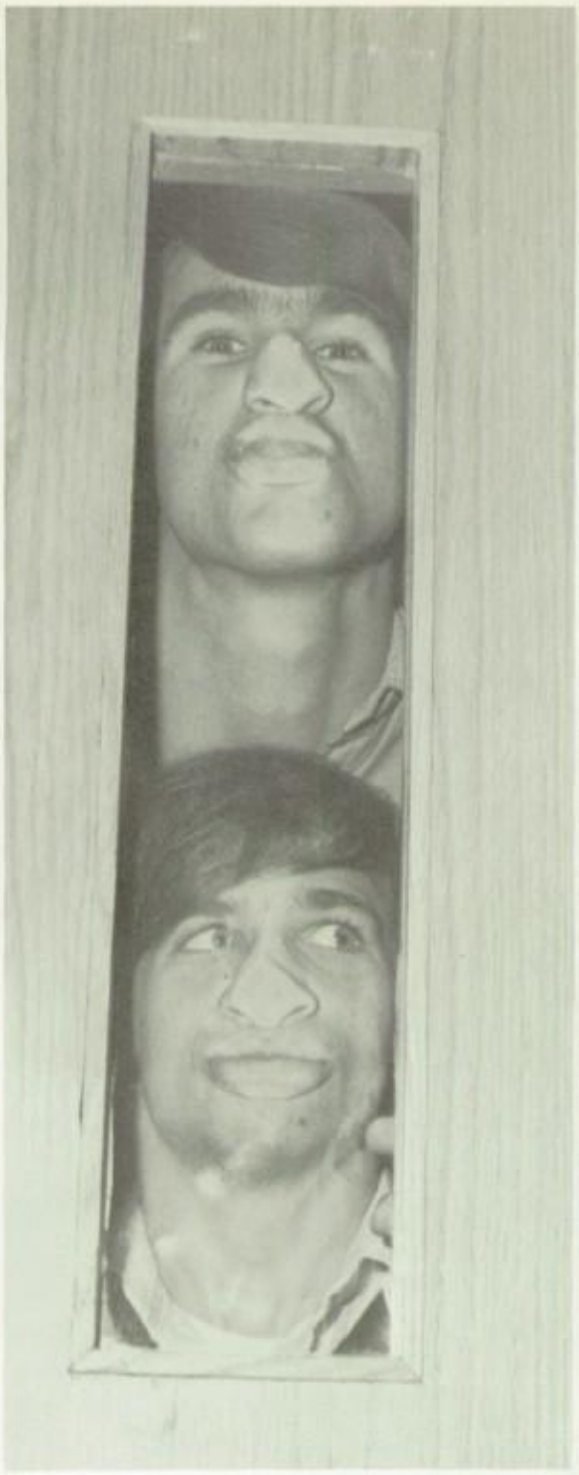
Learning, pleasure; the full life

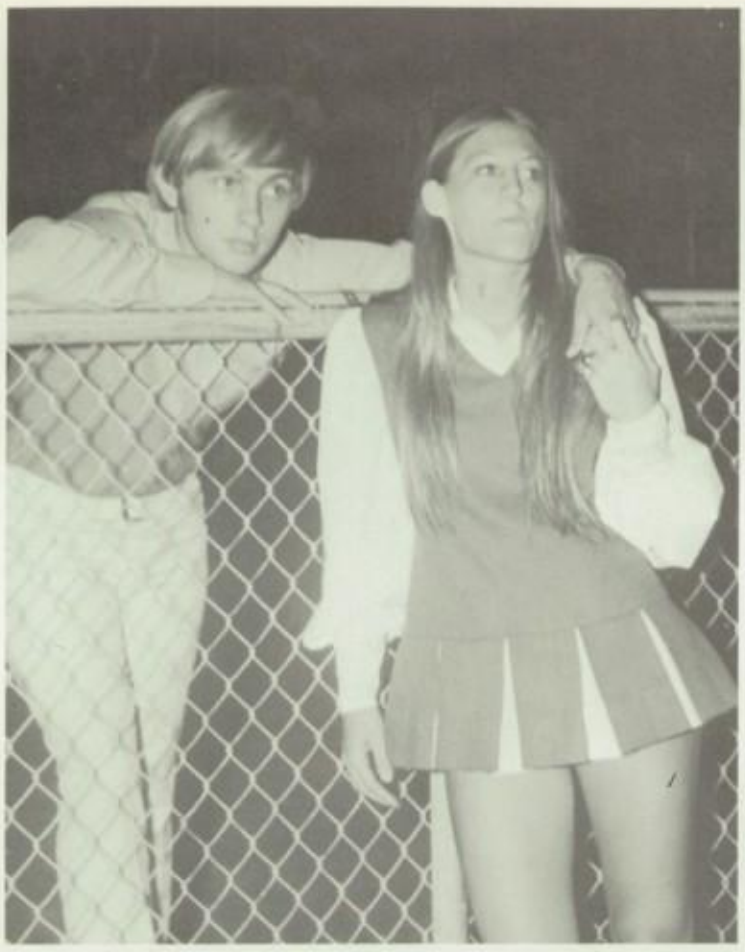
Began in these years.

Build, make, and do —

Expressions of ourselves,

Given to others.





Share in creation —

Life made of relationships;

Through others, we are found.

The
INTERNATIONAL THESPIAN SOCIETY
is an honorary group of actors in high schools throughout the world. (below) International Thespian Society, Troupe 944.

In the years that he has sponsored the
DRAMATICS CLUB,
Mr. Tom Lucas has established himself and his department as one of the outstanding in this area. His personal interest and devotion helped to make this one of the most active clubs on campus. The club sponsored two major productions, both of which were successful. In December "The Man Who Came to Dinner" delighted audiences, and "Sound of Music" was presented as the seventh musical produced by Mr. Lucas.

"THE SOUND OF MUSIC" was one of the most popular shows done by the Drama Department. The enchanting tale of love set in the Austrian Alps was the seventh musical presented by the school. While lines rehearsal is vital to the production, the construction of sets is also very important. (left) Set crew members Alan Webb and Jacques Darden carefully maneuver the beautiful and delicate stove that was designed, as were the other sets, by Miss Billye York. The actual construction of the flats was done by Mr. Cecil Harris and the Wood Shop. (below) Marsha Barton, Maria, and Debbie Eeds, Mother Abbess, prepare for the first evening performance. Although the older cast members often put on their own stage make-up, the seven children in this production needed special attention. (near right) Kelly Mahoney, Gretl, gets an assist from an experienced committee member. (far right) Jane Rhodes, Marta, and Susan Hedrick, Louisa also find make-up a frustrating thing without the aid of high school helpers. (extreme upper right) Even old pro Will Hudgins, Fredrich, finds that make-up chairman Marilynn Griggs can help in those hard to get places. (extreme lower right) The plaudits of the crowd prove to cast members Debbie Eeds and Lynn Smith, Captain von Trapp, that the tension was worthwhile.

Presented by the Dramatics Club and International Thespian Society

"THE MAN WHO CAME TO DINNER"

delighted audiences with humor and romance. Under the direction of Tom Lucas the play was considered one of the best plays in recent years. The story is one of a New York television personality who is temporarily disabled by an accident and must spend several weeks in a small Mid-western town. While the invalid commandeered the Stanley household celebrities appeared to visit him. Romance between The Man's secretary and the local newspaper editor provided a serious aspect to counteract the comic situations. The eccentric aunt (upper left) was played by Cay Hudgins. Marsha Barton played the Hollywood starlet (left). Connie Lowry and Phillip Leach (lower left) portrayed the leading characters. Conflict arises over the local newspaper editor (below). A pensive mood was captured at one of the rehearsals (upper right). David Atwell (right), as the newspaper editor interviews The Man. The cast (far right) rehearses the curtain call. Protective determination surfaces when the secretary reveals her love for the editor. (below right).

comprised
of more than 200 girls,
cheered the Panthers on
to game after game. Their
services included not
only attending in and out

they also made posters

Beginning with 6 a.m. practices in August, the **PANTHER PRIDE** was organized to perform at pep rallies and football and basketball games. The year began for them with a hat routine at the Panther Preview and climaxed with sharing a first division rating with the band at marching contest. Being the first drill team to march with their school's band was only one of many firsts for the 1971-1972 Panther Pride.

Drill team juniors prove that they must look less than presentable on the way to a game to look nice at half time.

Honor Guard members are Warren Culwell, John Koch, Bill Barrett, Phillip Leach, Michael Carrington, Fred Griffin, Roger Self, and Randy Newsom.

Brown's and Carter's kicks are just as high as Baggett's; their legs are just shorter.

Beginning her first year as sponsor, Mrs. George Ann Dosser provides the girls with instruction and encouragement.

Amidst the many distractions, there is at least one drill team member who watches every play.

This year has been another one full of milestones for the Lufkin High School Band. Mr. Bullock has once again produced a Sweepstakes winning combination with this year's musical talent. Two members of the band took their places in the prestigious State Band. The year began in the early morning hours of August. Each day, they worked harder toward the first football game performance. The band performed well at all of the football games, and the band truly outclassed everyone else at UIL Marching Contest. Working diligently to change from the "marching style music", the students began to prepare for All-Region tryouts and their winter concert. As soon as All-Region faded in the past, there was a great stepup of work toward the Concert Contest. Mr. Bullock compiled one of the finest concerts in the history of LHS. Looking back, this year has truly been great for the LHS **Band UIL** awards as well as talent.

ATHLETICS

Seven errant fumbles
turned a sure Panther victory into a disappointing 15-13 loss to the Lamar Consolidated Mustangs. The Panthers demonstrated that they had what it took to be a good football team. Despite this upset, the team
BOUNCED
back to several important victories.

The Panthers returned in grand style against the Tyler Lee Rebels. The Purple Tide, after two straight losses, ran Johnny Reb right out of Dixie. There were no doubts that the Panthers were back, and this 12-13

could not do anything but help the future.

Going into the first round of district play with an 11-7 record, the Panthers were not picked by anyone to win district. However, someone forgot to inform the Panthers of this prediction, and they quickly compiled a **SPOTLESS** 7-0 record, easily winning the first round.

I thought. This is the
first year since I have
been in Lufkin that our
14-AAAA team could
successfully compete with
other 14-AAAA teams."

This season took much practice and determination in order for the Panthers to repeat as

DISTRICT CHAMPIONS

(opposite, top left) Tyronne Davis clears a hurdle in the district meet. (opposite, top right) Bill Barrett gives it all he has in the preliminary race. (opposite, left) Fred Griffin clears the bar at 13'2" for a new district record. (above) Philip Arnett strains to break the tape. (opposite, right) Bill Barrett clears 12'9" for second in district. (opposite, bottom) Rodney Paulette breaks the tape in district meet preliminaries. (above, left) Members of the team waiting to participate. (above) Fans straining to see the finish in the 100 yard dash. (left) Lloyd David Parker practices for the district meet.

The winning record of the Panthers earned them the
REPUTATION
of a team to beware. (right) Members of the team relax between events. (below) Fred Griffin heads toward the pole vault pit. (bottom, right) Tension builds as the time for a race draws near. (opposite, top) Lloyd Parker clears the bar. (opposite, lower left) Members of the team watch their teammates perform. (opposite, lower right) Ecomet Burley displays the form which won him All-State honors.

TEXAS
AGGIES

The Panther track team deserves much respect for their **TREMENDOUS** effort this year. (opposite, top) The District 14 AAAA Champions. (opposite, lower left) Robert Hadnot passes an opponent. (opposite, lower right) Judges prepare for the 100 yard dash. (above, left) Ira Hill strains for every foot in the long jump. (above) Everett Little's throw which won him second in the district meet. Having only one
returning letterman, the
1972 GOLF TEAM
was young and
inexperienced.
This year was spent
more as a
seasoning period
instead of a
championship year.
The team has fine
potential
for the next
two seasons.

For the second year in a row, the baseball team won the district championship. They swept district with an

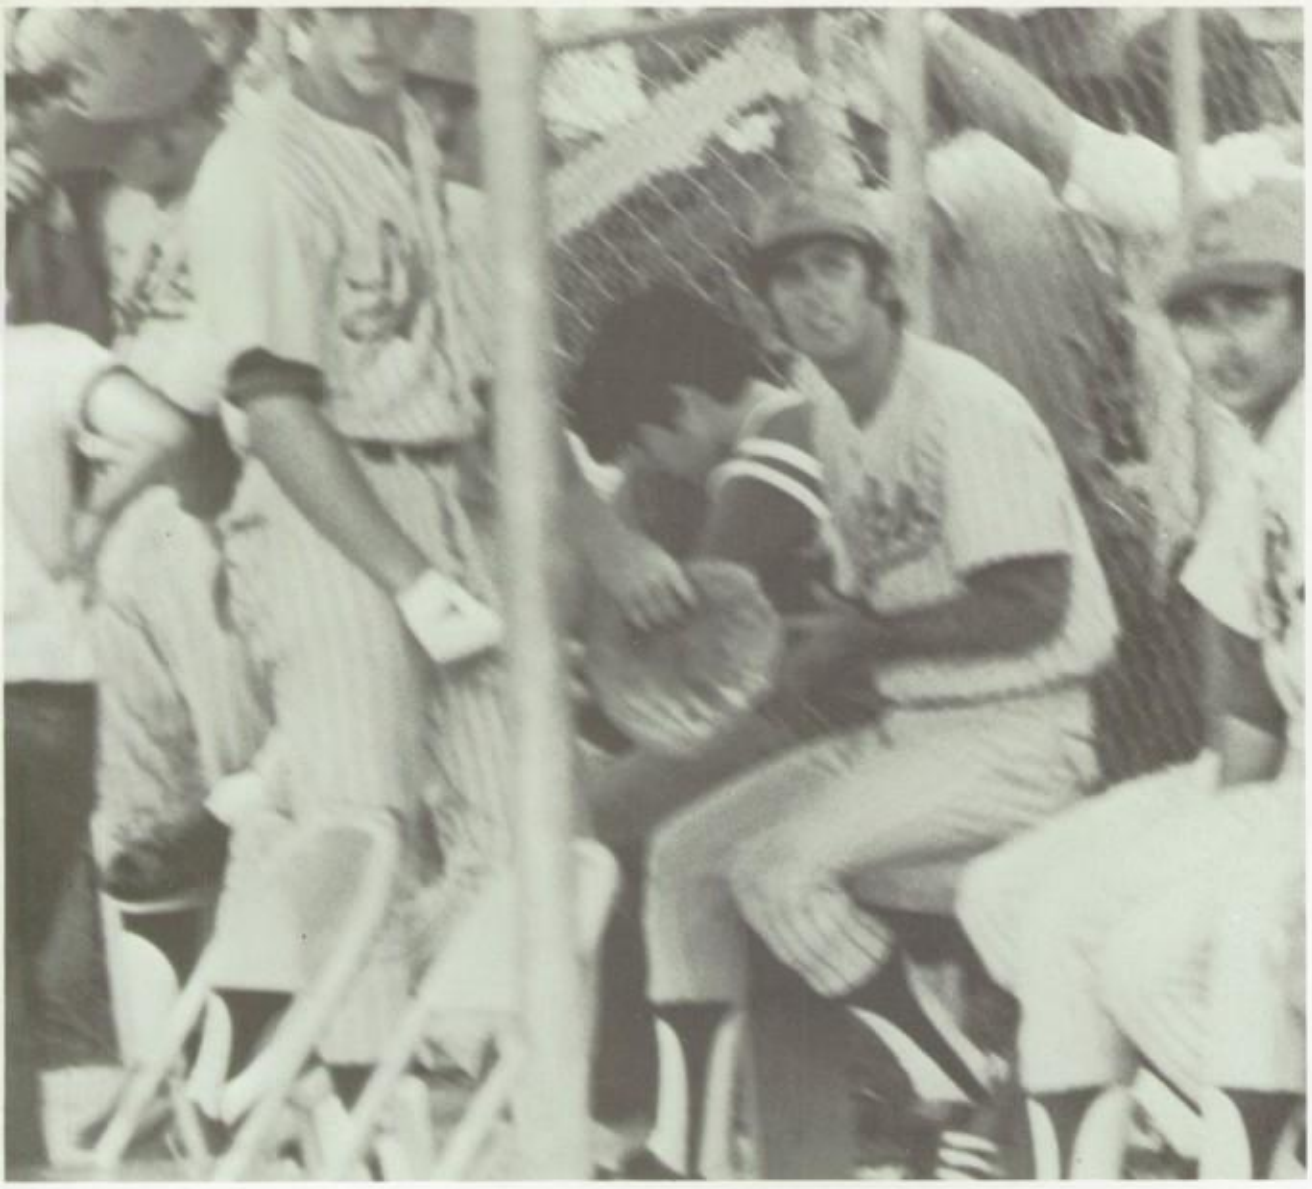
13-1 record, winning by a full three games. (opposite, upper left) An All-State performer in his junior year, catcher Rick Bradley positions some of the players during an inning. (opposite, upper right) Frank Rodrigues, another All-Stater in 1971, makes a throw to home. (opposite, bottom) Shortstop Gary Long starts to tag a Westchester runner who is attempting to steal second base. (left) Steve Day leads for first. (lower left) Let's talk it over. (lower right) A transfer student from Los Angeles, Kenneth Williams pitched and played first base for the Pack.

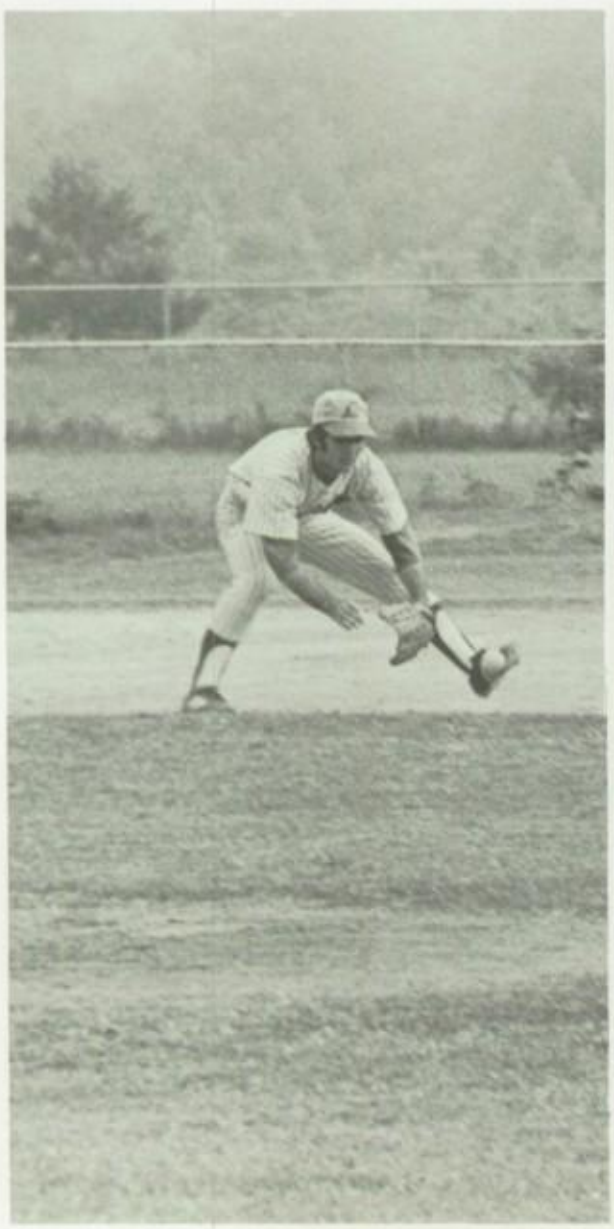
(opposite, lower right) Dicky Newberry heads for first after being walked. The hard work and dedication the coaches and players showed resulted in a 26-7 record, the most games ever
WON
by a Panther baseball team.



KERRVILLE BUS CO. INC.

The 1972 Panthers set numerous **RECORDS** during the season. They include most games won, most games played, most homeruns with 33, and most players to hit homeruns in one season (10). (opposite, top) Donald Carr delivers a pitch during a quarterfinal playoff game against Westchester High School (opposite, lower left) Frank Rodrigues beats out a hit in the same game. (opposite, lower right) Third baseman Micky Bowser studies the situation as Carr prepares to pitch. (left) Catcher Ricky Bradley takes a rest as the Panthers bat. In three seasons, he hit 23 homers, more than any other Panther in history. (middle left) Rodney Paulette, with a .409 batting average, became the first Panther to hit over .400 in several seasons. (lower left) Right fielder Steve Day catches a fly ball to end an inning in a bi-district game with Denison. (below) Dicky Newberry leads off first.

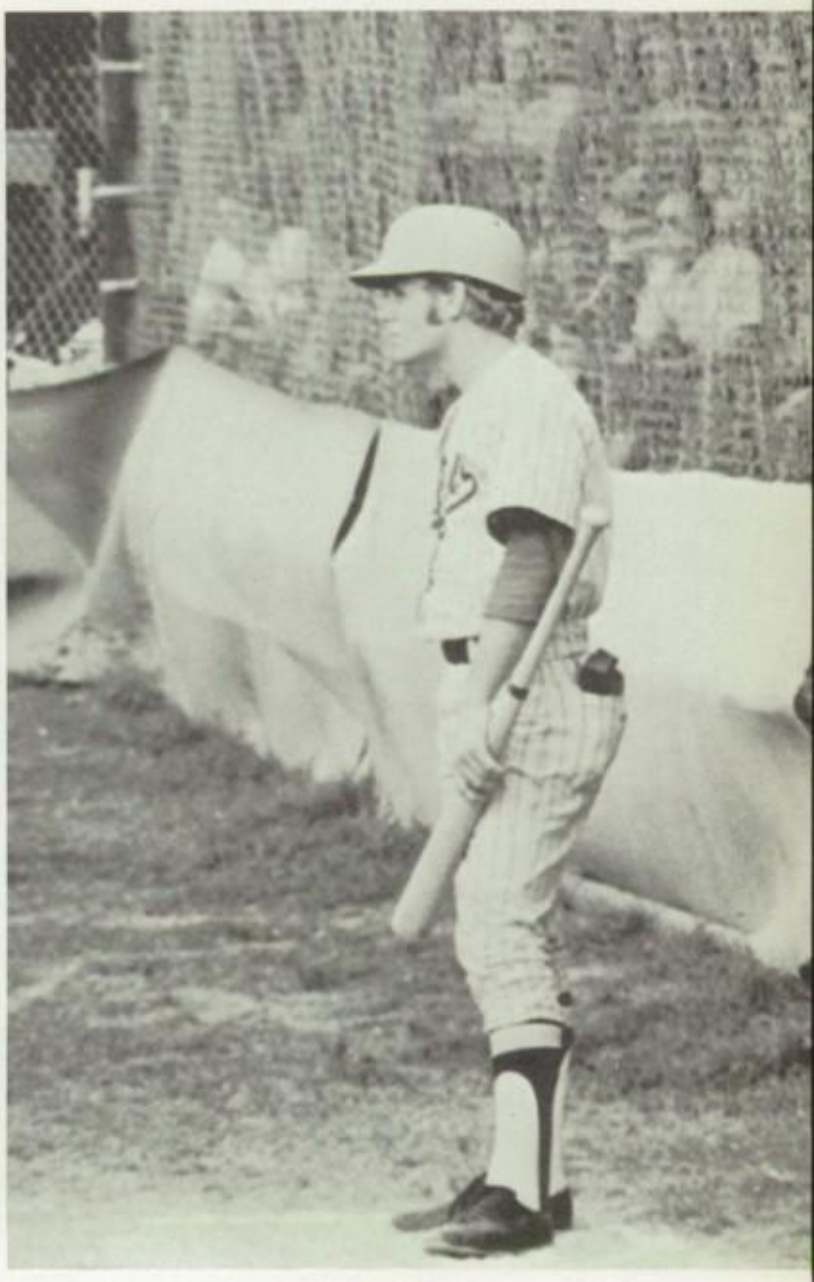
7

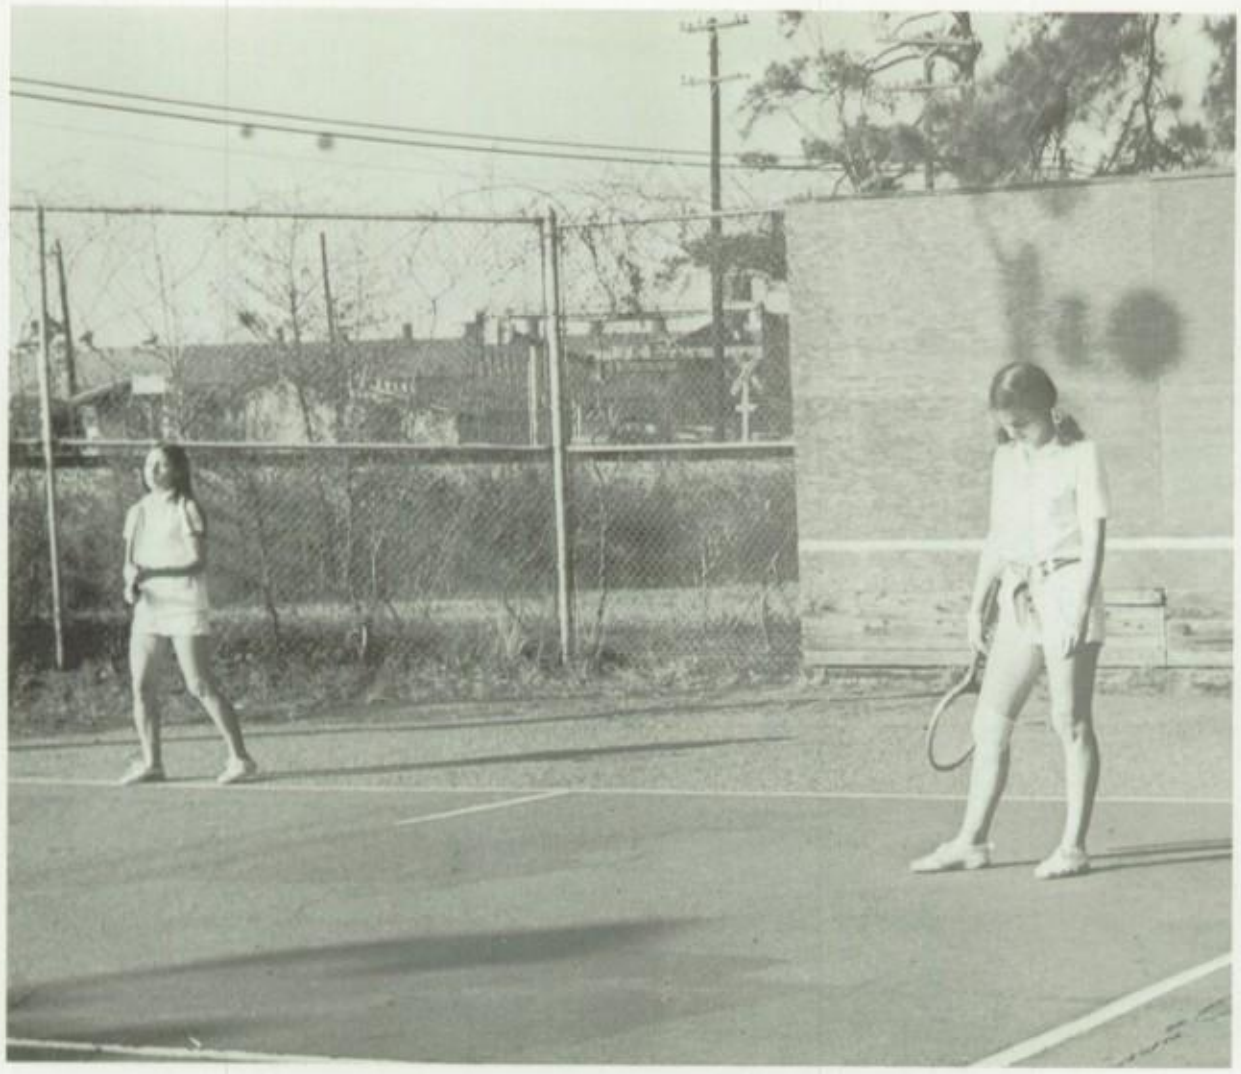


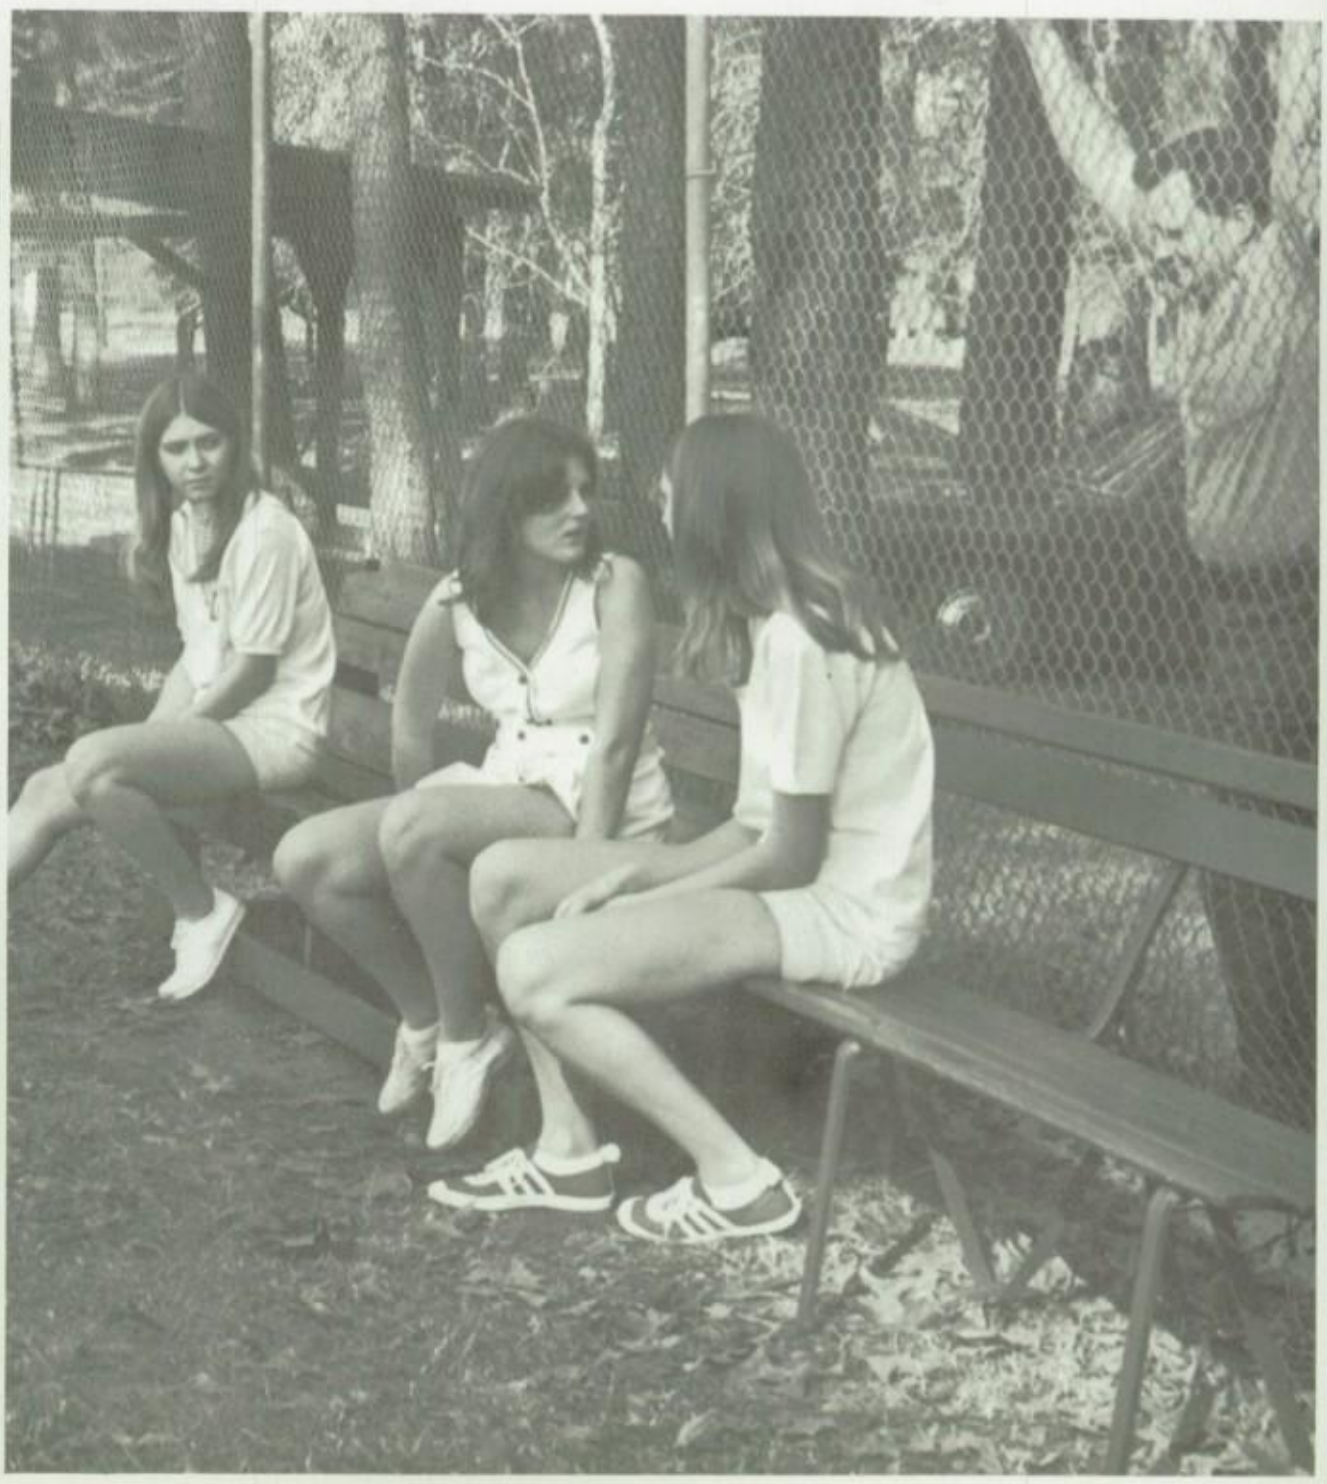
(opposite, top) Micky Bowser (7) makes a wide throw to first base. (opposite, bottom) The Pack in the field. (left) Rodney Paulette and Steve Day chase a fly ball hit to the outfield. (lower left) Frank Rodrigues compiled an impressive won-loss record in his three years at LHS. (below) Junior Donald Carr had a 12-2 record and 1.90 earned run average as a pitcher for the 1972 Panthers. Though the Pack was mostly a senior ball club, there is enough returning talent to give

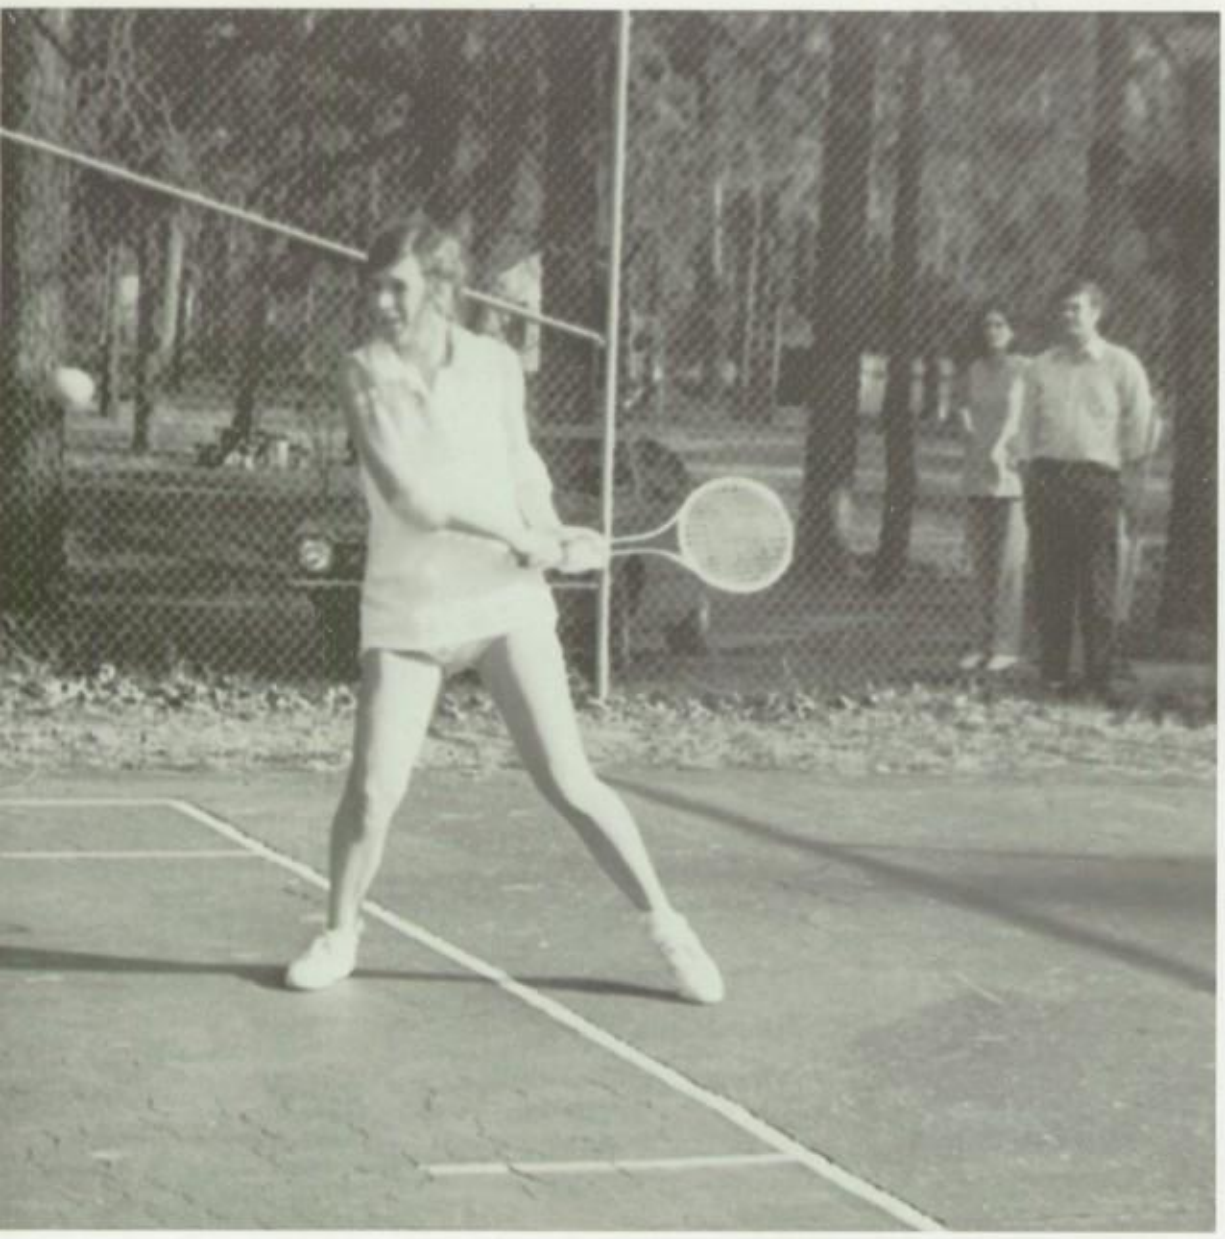
HOPE

for another promising year in 1973.









Under the direction of first year coach Cecil Harris, the
TENNIS
team turned in a very successful season.

(opposite, top left) Debbie Brim and Jan Cunningham. (opposite, top right) Bob Killam. (opposite, bottom left) Bruce Walther. Pep rallies are always spirited by the enthusiastic faculty. They join with the students in praising the mighty Panthers with a round of applause.

Occasionally they feel they must voice their emotions to show us that they have spirit. The coaches give us a little added assurance that the team is ready to play the game.

Although the pep squad is limited to students only, the teachers let us know that they have what it takes to be a great member also.

WHO'S
RESPONSIBLE?

Responsibility is a personal matter with each of us . . . a virtue of the individual who plans ahead. Our feeling of responsibility to our customers for their natural gas service has enabled us to give more service more convenience and more comfort to more people as the years go by. Responsibility does not inhibit, it encourages growth.

Our Company Helps Grow Trees Forever For Man and Wildlife

As a member of the Southern Forest Products Association, we're sponsoring a "Trees Forever" program. The objective is to double timber growth in our region, to satisfy a broad range of environmental and economic needs in the years ahead.

Our program is designed to assure the availability of quality Southern Pine lumber in sufficient quantity and at reasonable cost to meet the growing housing demand.

The program will also improve the suitability of our forests for outdoor recreation, and conserve and protect wildlife.

With SFPA, we hope to accomplish these goals by helping private owners of forestland initiate forest management and reforestation programs. Every private landowner owes it to himself to find out about the economic and environmental benefits of forestry programs.

For more information, write us or SFPA, P. O. Box 52468, New Orleans, La. 70152.
